HW:

Some letters back, you said you had an extra copy of a piece you wrote (I think it was for the National Enquirer) on the anonymous note to Gravel"s AA which mentioned you. You asked if we'd like to see it, then toward the bottom of the note said you were including it in 3cU. Well, 3cU arrived today and the piece was not in it, so presumably you changed your mind or forgot. Yes, we'd very much like to see this. We've always been curious to learn what you finally decided about that business, and never have had any clear idea. As I recall it you got preoccupied with Wecht or Jerry or Gary or some other outrage, and the matter lasped until last June when l'affaire [redacted]shuimen reminded us all of a possible author. If you need it back, we'll be glad to comply. If you've had any following thoughts and have time to note them, we'd be glad to have those too. Thanks.
